

Patryk Kieszek

Web & API Pentester

I'm not here to play it safe — I'm here to make systems safer. Certified eJPT with a hacker mindset, a consultant's precision, and a hunger to learn.

EDUCATION

University of Warsaw

Master's in Cybersecurity | 2024 - 2026

42 Warsaw

Cybersecurity & Programming | 2024 - 2026

University of Paris I Panthéon-Sorbonne

BSc in Social Sciences | 2018 - 2021

EXPERIENCE

Pentester - K+ Security

Remote • Nov 2024 – Present

- Delivered a 44-page OWASP-based pentest report for a SaaS platform, guiding remediation and helping the client prepare for SOC 2 and ISO 27001 audits.
- Developed reusable audit templates reducing future prep time by 40%.
- Authored and published a full public pentest report to demonstrate methodology to potential clients.

Bug Bounty Researcher – HackerOne VD

Remote • May 2025

- Reported a live critical vuln exposing credit card and password data in sessionStorage, affecting PCI-DSS & GDPR compliance.
- Bypassed WAF using JS Image() exfiltration to demonstrate real exploitability.
- Submitted full disclosure: screenshots, write-up, risk eval, mitigation strategy.

Technical Customer Support – HLPY

Remote • July 2023 - January 2024

- Resolved 25–40 support tickets daily for enterprise clients (Tesla, Hertz), maintaining 95% satisfaction.
- Collaborated with engineering to fix complex API, SSO, and MFA issues, reducing avg. resolution time by 20%.
- Created and maintained internal knowledge base articles, cutting escalations by ~30%.

- Hack The Box: pkieszek

SKILLS

- **Web & API Pentesting:** Burp Suite, Nmap, ffuf, XSS, SQLi, IDOR, SSRF, LFI, logic flaws
- **Cloud Security:** AWS IAM, EC2/S3 misconfigs, metadata abuse, basic Azure/GCP
- **Recon & Exploitation:** Shodan, dnsenum, Google Dorking, PoC writing, chaining vulns
- **Scripting:** Python, Bash, PowerShell (automation); C/C++ (low-level logic)

CERTIFICATIONS

- **eJPTv2**
- **INE Certified Cloud Associate**
- **TryHackMe:** Junior Penetration Tester
- **CPTS** (in progress)
- **OSCP** (planned)
